CARTOON NOTES

Watch The Mama's Day Marathon Starring Johnny Bravo! Sunday, May 14th from 12-8pm ET/PT Only on CARTOON NETWORK

Johnny is so smooth. I know that I learn something from each one of his tips, and I'm sure that you do too. There's only one Johnny so we can't expect the same results for everybody—just bask in the glow of his wisdom. Let's check out some letters from a few Bravo fans.

Unknown
Everett, PA

Dear Johnny Bravo:

I love your comic and everything that has to do with you. I never miss an issue or an episode of your show. It's better than wrestling. I would like to see more new shows, or better yet, a movie so I could add to the pictures of you on my walls. The end.

We can't promise new shows, uh . . . unknown little fan person, but we sure can promise more new Johnny Bravo stories like "Love Match" and "Under My Wheels," all in CARTOON NETWORK STARRING. So keep reading and tell your friends.

Michael Knight
Toledo, OH

Dear Cartoon Network:

I love Johnny Bravo. I think it's really funny. So I think you should make some new episodes and have every Saturday be a special day when Johnny Bravo is on for an hour straight from 7:30am to 8:30am.

Say, you're not the same Michael Knight that used to drive around on TV with the talking black car? Are you?! Nahh . . .if you were Johnny would really be impressed.

David Carnell
Houston, TX

Dear Cartoon Network:

I just wanted to let you know that I am a regular viewer of Johnny Bravo. My family and I tune in and watch whenever we have a chance. I enjoy the show immensely, and my daughter and I laugh a lot. It truly has made me realize how valuable Cartoon Network is with all the classic cartoons and such. I watch Cartoon Network much more now that I've discovered how funny Johnny Bravo is. My only gripe is that Johnny Bravo comes on what, once, twice a week? I realize that as far as cartoons go, Johnny is pretty out there and is a little "off" for younger viewers. However, I don't think that it couldn't be rerun later at night throughout the week. I'm not suggesting EVERY DAY or anything, just more than twice. Sure, it makes me look forward to Cartoon Cartoon Friday, but still, I'd like to catch a bunch of the first season episodes. I haven't laughed at a cartoon this much since the first season of "Ren & Stimpy." I hope you see that as a compliment. Anyway, the only other points I'd like to mention are:

1) I realize that Johnny Bravo is a Hanna-Barbera property so Cartoon Network does not handle publicity, etc., but is there a place to e-mail or send fan mail to?

2) Johnny Bravo is not the only show I watch. Occasionally I watch the Powerpuff Girls, Space Ghost: Coast to Coast and Dexter's Laboratory. All of these shows are brilliant. I just happen to connect with Johnny Bravo somehow.

Thanks for the great cartoons and keep up the great quality.

You can go to www.cartoonnetwork.com and leave e-mails on their message board plus learn the latest Cartoon Network information. You can also e-mail us about the comic at dcocartoon@aol.com. Check it out.
